Leeds Aortic Course 17-18 June 2024

**DEDICATED TO TRANSFORMING
AORTIC CARE IN WEST YORKSHIRE**

Equivalent
of
12CPDs

IN COLLABORATION WITH

Learn with the experts

This course brings together national and international vascular and cardiac surgeons, allied specialties, industry representatives and senior vascular trainees with interest in aortic surgery.

This event will combine talks, video demonstrations but it is focused on hands on dissections on Thiel cadavers.

Promoting the West Yorkshire Aortic Service

**Cross linking between cardiac and
vascular surgery to amplify
knowledge**
